

Capitol[®] Carpet Seam Tapes

Premium low-melt seam tape formulations

Product Description

Capitol[®] carpet seam tapes have been designed with lower melt temperature adhesive, allowing the same ease of installation as other tapes, but at a lower iron setting. The lower heat means that there is minimal damage to the carpet pad, carpet backing, and face pile, and reduced smoke and odor during installation.

Capitol[®] carpet seam tapes come in a wide variety of widths and with different strengths of adhesive, ensuring that there is a Capitol[®] seam tape with the right performance and at the right price for any carpeting installation.

Product	Description	Key Benefits	Application Type
3-5/8" WIDE TAPES			
CX-731 Red Line	<ul style="list-style-type: none"> · Carpet Seaming Tape · 3-5/8" Wide · 22 yds. long 	<ul style="list-style-type: none"> · Built on a chiller wheel to ensure high ridge definition 	Moderate traffic carpet applications – Propex ActionBac [®] , jute, latex unitary, Axminster, Wilton, woven, and Shaw SoftBac [®]
